by Campus Founders gGmbH.

Campus Founders is a Startup and Co-Innovation Hub in Heilbronn, Germany,  
empowering the next generation of responsible founders and innovators.

The Corporate Campus Challenge is a 14-week long program for future entrepreneurs and innovators in which multidisciplinary teams develop creative and innovative human-centered solutions for real industry challenges, presented by our renowned corporate partners. The participant learned hands-on how to:

- Apply Design Thinking and Lean Startup approach to tackle real industry challenges.
- Conduct qualitative research to better understand user & customer needs.
- Engage in hybrid collaboration to generate innovative solutions.
- Use rapid prototyping to test their most potential ideas.
- Validate their solution through user & customer feedback to iterate or pivot.
- Deliver an inspiring presentation of their work in front of a jury to receive feedback.
